GENERAL HEALTH & SAFETY POLICY STATEMENT

The North Dorset Railway Trust is committed to providing a healthy and safe environment for all our visitors and volunteers alike.

We take our responsibilities to those who visit or volunteer on our railway very seriously and aim-

- To provide adequate control of the health and safety risks arising from our site and activities.
- To make reasonable endeavours to prevent accidents
- To handle and use substances safely.
- To provide and maintain safe plant, equipment and rolling stock.
- To provide information, guidance and supervision for volunteers
- To ensure volunteers have the necessary training so they are competent to do their tasks.
- To maintain safe and healthy working conditions.
- To consult with, and act on feedback from, volunteers regarding health and safety.
- To review and revise this policy as and when necessary.

In addition to the above, working volunteers are required to read and follow the more detailed **NDRT Volunteers Health and Safety Policy** which is available in the members area of the NDRT website

Agreed by the trustees on 18.11.17

This policy to be reviewed and updated as and when required
